

Fall 2018 Teen Ensemble Devised Show Questions

NAME: _____

For our original show, *Thereby Hangs a Tale*, we're thinking about CHANGE.

Change happens in lots of different ways. Sometimes it can be really exciting and we're glad about it, and sometimes it can be scary or even sad. But everyone goes through it. We want to hear your stories and thoughts about change. During our rehearsals, we'll use each other's ideas to create scenes, monologues, and more to help our audience get to know us better. The more detailed your answers can be, the better. Please use more paper if you need to. You can also answer these questions online at: <http://bit.ly/ABLEdevising>
